ACCESS & MINI DOORS

Fully frame vented and laminated access and mini doors with lock suitable for many applications. Frame colours and infill panel options as per doors.

Mini Door

BOOT DOORS

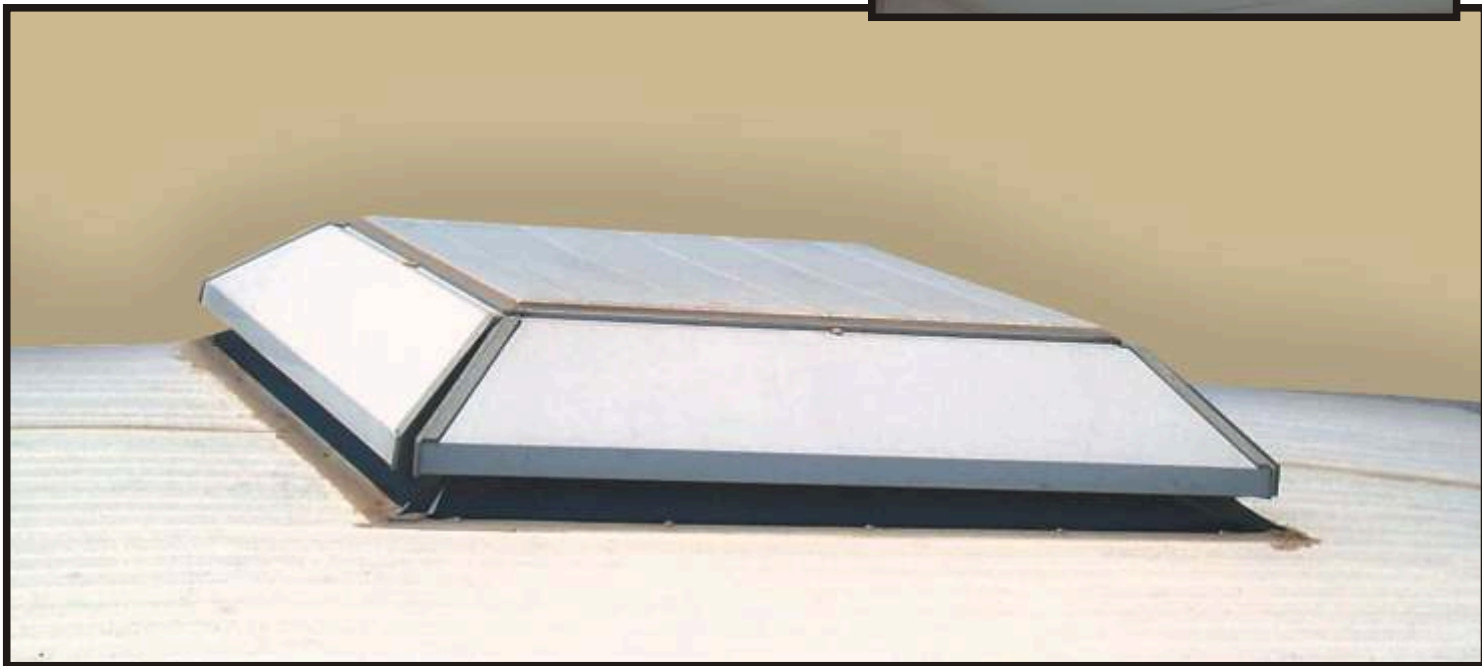

The boot door incorporates a secure lock laminated infill panel with option of vinyl, aluminium or checkerplate infill panel with telescopic stays or optional gas struts.

Vinyl Boot Door

FOUR SEASONS HATCH

The Four Seasons Hatch features 161 square centimetres of fixed ventilation - even when closed. This roof hatch complies with gas codes, and is able to repel rain, with flaps in 'open' rain position. Four independently adjusted, flyscreened flaps secure breeze from any direction. Screens are easily removed for cleaning. The complete assembly is ready for installation into a 660mm x 660mm aperture. Available in white or double glazed with an optional skylight.
