**Camec Premium Plus RV Covers** have been designed and manufactured to protect your van from being exposed to the harsh climatic conditions.

**Premium Plus – “Protection”** the cover will provide excellent protection against acid rain, industrial pollutants, tree sap, bird droppings, dust and weather damage caused by leaving your van uncovered whilst exposed to the weather.

**Premium Plus – “Quality”** specially manufactured using a composite of three materials comprising a 100% waterproof roof section for maximum protection, weather resistant breathable side panels which allows the cover to breathe and moisture to evaporate resisting rot and mildew and a heavy duty reinforced skirt with an elasticised hem front and rear providing a strong guard against damage from sharp objects.

**Premium Plus – “Practicality”** incorporated into the complete range of Camec Premium Plus RV Covers which are lightweight, easy to fit and features a three zipper side panel\* that offers simple access to doors in any location and with bonus eyelets sewn into the hem it easily converts into a handy sun awning plus two dual clip nylon straps attached to both the front and rear of the reinforced skirt ensuring the cover is securely fasten for all weather conditions.

\* Note: Camper covers do not have side panel zippers.

### Features:

- 100 % Waterproof UV Stabilised Roof Section
- Water Resistant Breathable Side Panels
