

CAMEC PREMIUM PLUS CAMPER COVER

Camec Premium Plus Camper Covers have been designed and manufactured to protect your van from being exposed to the harsh climatic conditions.

Premium Plus - “Protection” the cover will provide excellent protection against acid rain, industrial pollutants, tree sap, bird droppings, dust and weather damage caused by leaving your van uncovered whilst exposed to the weather.

Premium Plus - “Quality” specially manufactured using a composite of three materials comprising a 100% waterproof roof section for maximum protection, weather resistant breathable side panels which allows the cover to breathe and moisture to evaporate resisting rot and mildew and a heavy duty reinforced skirt with an elasticised hem front and rear providing a strong guard against damage from sharp objects.

Premium Plus - “Practicality” incorporated into the complete range of Camec Premium Plus Camper Covers which are lightweight, easy to fit are practical features such as two dual clip nylon straps attached to both the front and rear of the reinforced skirt plus four reinforced tabs with eyelets at both front and rear with cord supplied so that the cover can be made nice and taught ensuring it is securely fasten for all weather conditions.

Features:

- 100 % Waterproof UV Stabilised Roof Section
- Water Resistant Breathable Side Panels
- Reinforced Skirt with dual nylon clips
- Double Stitched Reinforced Corners
- Soft Non Abrasive Lining
