Many people place their caravans in storage and are often left out in the elements. So protect your caravan when not in use from being exposed to harsh Australian conditions with a Camec Premium RV Cover.

Placing a Camec Premium RV Cover over your caravan will provide protection against acid rain, industrial pollutants, tree sap, bird dropping, dust and weather damage. It can also assist in reducing dust from blowing into your caravan saving you cleaning time before heading off on your journey.

The Camec RV Covers are lightweight and easy to fit with features such as nylon straps and reinforced tabs with eyelets both front and rear, ensuring it is securely fastened for all weather conditions.

Made from two composite materials the Camec Premium Covers have a water resistant roof section for maximum protection and weather resistant breathable side panels which allows the cover to breath and moisture to evaporate resisting rot and mildew. Ventilation flaps and heavy duty reinforced skirt with an elasticised hem front and rear provide a strong guard against damage from sharp objects.

Camec Premium RV Covers also come with a 3 year warranty for peace of mind.

Double stitched reinforced elastic corners

Front and rear adjustable clips

Ventilation flaps

Zipped roll up sides for easy access
